JUST REDGUM  
WOODWORK PROGRAM

## PROGRAM OVERVIEW

MASP NDIS Woodwork Program provides the opportunity for individuals to actively participate in the construction of a variety of Redgum made products. The program is facilitated by our passionate team to assist you to achieve your goals.

You can choose a woodwork project from the options provided or you can choose your own project to make. If you wish, you can also restore a piece of furniture that you already own.

There will be a minimal cost for materials & incidentals to complete your project. Product Price List available on request.

The aim of the program is to meet new people, form friendships, build confidence and social skills, increase independence and build on existing skills.

Development of a positive work ethic by the participant is also encouraged, with the aim of possibly gaining supported employment within the mainstream community.

The workshop is located on the Corner of The Crescent & Luke Court Mildura and inspections are welcomed anytime by appointment.
